## PUNAHOU-KAM DUAL EVENT

### Annual Cross-Country Race Between Schools May Be Arranged.

There is a good chance that Punahou and Kamehameha will get together over the establishment of an interschool cross-country run, to be made a regular annual fixture on the athletic calendar of both schools. The distance men both at Oahu and Kamehameha are strong for a meeting, and their rivalry should lend wings to their feet when they come together in the initial race.

This evening delegates from both schools will meet to talk matters over and, if everything goes smoothly, to set a date and select a course. From Kapiolani Park to Thomas Square is a course that has been suggested for the event.

This afternoon the second of a series of three cross-country runs will be held. There is an entry list of 25, only the place-winners of the first event being barred. In the third race men who make points today will also be counted out, and fourth and final race will be arranged for the point-winners of all three, to decide the cross-country championship of the school.

The course this afternoon will be from Kamehameha to Fort Shafter and return.

## EXTRAORDINARY SHOT AT GOLF

Some hard-shell scientist once figured out that the chances of making a 155-yard golf hole in a single stroke, allowing for variations in wind and irregularities of the green, were 1 in 6,485,912,544. So just to show his contempt for figures, L. Scruton, a well-known Coast golfer who is spending a few weeks in Honolulu, proceeded to hole his drive at the eighth at the Country Club yesterday, making the second time within three days that the seemingly impossible had been accomplished.

The odd feature of the play was that Mr. Scruton was partnered with L. Redington, who joined the Hole-in-one Club of the same tee three days ago. The two shots which resulted in the remarkable score were almost identical in execution.

Mr. Scruton's shot was unusually fortunate in that it came at a critical point in the match. Playing best ball and aggregate in a four-ball foursome he and Redington were 1 down and 4 to go, points, to Captain Douglas and P. Hulstrand, when the shot was pulled off. This allowed them to win best ball, of course, and the aggregate as well, by winning aggregate on the last hole they secured the match. Holes in one are as rare as hens' teeth, but it's doubly unusual when they prove the turning point of a match, and unusual to the Nth power when the trick is turned by partners within three days of each other.

## PUBLIC SERVICE ASSN. GETS BEHIND FUND FOR KAHANAMOKU

DUKE KAHANAMOKU.

The Public Service Association this morning commenced a canvas by telephone for subscriptions to the Duke Kahanamoku fund.

Live business men, even if they are not interested in any branch of sport, realize the advantage of having an aquatic advertisement for Hawaii, spreading the name and fame of Honolulu over the pages of the metropolitan papers, and are willing to chip in for the fund now being raised to send Duke East for the A. A. U. swimming championships, because they think that it's good business to send him. Sportsmen look at the matter from another angle, but, as a matter of fact, the point of view matters very little provided it is emphasized with real money.

Arrangements for the benefit field day at Athletic Park next Sunday after-

noon are progressing without a hitch. That the navy has taken hold and expressed a willingness to boost to the limit, argues well for the success of the meet from a standpoint of both sport and finance.

Sailor athletes form a large proportion of the material in each of the eight events, and the West Virginia's ball team will be the stellar attraction when it comes up against the All-Hawaii in what may be considered the Island championship.

Additional entries for the track events have just been received by Manager Baron from the members of the crew of the South Dakota, as follows:

100 yards—Banks, Timmons, 220 yards—Bennett, Harvey, Lillie, 440 yards—center, Swofford, One mile—Roncoverdi, Mauldin, McAllister, Newkirk, Kowitz, Ham.

## SPORTING MEN ARE SNICKERING OVER "EXPOSE" OF WRONG MAN

The attack made in an afternoon paper on the wrestler, Joe Carroll, is funny to those who know the inside facts, and several in Honolulu have known the facts from the second day Carroll came to Honolulu. In justice to both Carroll and Bert Thomas, the allegations made yesterday afternoon that they are one and the same man, and that Carroll was after Pete Baron's "pile," should be exposed.

Thomas is a Minnesotan, Carroll is an Iowan. Thomas is a light heavyweight, dark, rather short, powerful and stocky. Carroll is tall, a blonde, and is now a real heavyweight. And one with any real knowledge of the wrestling game would not make the silly mistake of mixing them up.

Carroll and Thomas came to Honolulu after serving in Leavenworth penitentiary. Both men who knew them here knew also that they had come to get away from old associates, to rest, live quietly and cleanly and to begin life anew, and those who knew them kept faith that they would not be "hawled out" for the

more sake of sensationalism when they were honestly putting the past behind them. Not once did either Carroll or Thomas try to "turn" anything here. Carroll consistently refused to wrestle in public, and Thomas even went so far, in exhibitions at a local theater, to throw his men even without giving the crowd a "good show," because he was wrestling for the exercise and fun of it and did not propose to allow a suspicion of crookedness.

But this was all months ago, and the attack made now is both needless and badly timed. Thomas left here some months before Carroll did. Neither of them in the slightest degree did anything to cause their friends here to break faith with them and silence them out for attack.

In the end, it is just funny, and the alleged exposure really exposes nothing but the writer of it.

As to Baron's proposed business deal with Carroll in connection with the handling of Al Paizer, the local man is waiting for further advices before coming to a decision.

Tenders have been formally called by the Oahu Loan Fund commission for bids on three jobs the commission will let within a month. The first is road construction, the ten-mile stretch from Kipapa gulch to Waiahu hill being the section that will be tackled. This is the second in the series of belt road contracts under appropriation of the last legislature, the first being still hung up in the courts.

The other two jobs are for the construction of the Pohakaina and Kaiwihi schoolhouses, the latter being called the Liliuokalani school.

The commission has decided to press the Frog lane reclamation plan, although it is doubtful if the \$10,000 appropriation will do the work. Compensation proceedings alone can determine this.

Tenders on all will be received up to 12 o'clock noon, February 25.

LYMER STARTS WORK TODAY

William B. Lymer, attorney for the Board of Health, takes over his office today in the polling booth that has been erected near the health board building.

On Monday a circular letter will go out to all the householders drawing attention to the fact that Lymer has taken over the work and also to certain rules and regulations under which he will work. The general policy of the Board of Health is to be changed, and from now on householders will have to do much of the work that has run on the lose-and-out plan.

Previously been done by the health forces.

The circular, after telling of the laws, sets out that if a householder does not give the necessary attention to following them out he will be warned orally by the inspectors, and then if it is found that he will not take any notice proceedings will be instituted against him and a fine imposed.

English first-division soccer matches averaged 20,000 spectators at a game this season. The first round of the football association cup started on January 13 with sixty-four teams. It is

## IMPORTANT SOCCER GAMES ARE TO BE PLAYED THIS WEEK

Tomorrow's Contests at Moiliili Will Go Far Toward Winning Cup.

|             | P. | W. | L. | D. | Pts. |
|-------------|----|----|----|----|------|
| High School | 5  | 5  | 0  | 0  | 10   |

| Male        | 4  | 2  | 2  | 0  | 4    |
| Heiau       | 5  | 1  | 4  | 0  | 2    |
| Kamehameha  | 4  | 0  | 4  | 0  | 0    |

Tomorrow will be an important day for the soccer teams. The season is more than half over, and this week the Punahoa and Male teams have their chance to climb a couple of notches on the percentage ladder, while the High School, league leaders, lay off this week and therefore must remain stationary.

Punahoa and Kam Alumni play the first game of the double-header at Moiliili tomorrow, while Male and Heiau meet in the closer. Punahoa, which stands second on the list, figures to trim the Kams, who hasn't either won or drawn a game this year. The Male-Heiau struggle should be harder, with the odds slightly in favor of the former. If the games go according to the dope, Punahoa will be within striking distance of the leaders and Male will be but 4 points behind High School. Of course, both Kam and Heiau have a chance to upset these calculations, which would greatly delight the High Schools. The following Saturday, January 27, High and Punahoa come together in what looks like the decisive battle of the season.

There was more enthusiasm over last night's games than over any previous match. The first string was close up to the last frame, the Bankers finally winning it by a single pin. In the second game the Cosmos took a bad stump, but in the third they came back strong and won by a safe margin.

With the exception of Notage, none of the Bank of Hawaii team has done any practising, and the showing last night was very creditable.

E. Bailey had high score for the Bankers with 154, while C. Hoops got away with high average, 144. For the Cosmos, G. Webber topped both high score, 158, and average, 144.

Monday the Bankers and Stragglers will come together, and Tuesday the Laeti and Brunswick-Baile teams clash.

The scores:

|                 | P. | W. | L. | Pts. |

| Brunswick-Baile | 3  | 0  | 3  | 0    |
| Players         | 3  | 0  | 3  | 0    |

The set-to between the Bank of Hawaii and Cosmos ended on the Y. M. C. A. sides last night, won by the former, two games to one, completed the first round of the tournament. All the teams have now played one match and are in the percentage table with either a win or a loss chalked up against them. The schedule calls for 42 games by each team, or two matches against every other in the league. According to the somewhat elastic schedule each team will play one game a week.
